

Oak Hollow Buddy Rally

Wed, Oct 26 to Sun, Oct 29

Appalachian Airstream Unit #115

- 1.) The rally is a buddy rally, so PLEASE invite your non-Airstream camping friends to come with us. Call Rich Work; cell 304-922-2298 with your intent to come to our rally. When you attend, pay Rich \$45, of which \$10 is a rally fee to cover breakfast on Thurs, Friday, and Saturday; and \$35 covers the 1 night deposit which was required to reserve our rally. Pay the other 3 nights fee to Oak Hollow Campground, \$105. All suggested events below are at your own expense.
- 2.) We will all gather up at the Virginia Welcome Center around 9:00 AM (the first rest area as you travel from Princeton, WV south on I-77. It's roughly 6 miles after you enter Virginia from West Virginia. See map attached). From there we will head on south to the Oak Hollow Campground in High Point, North Carolina, about 2 hrs & 16 minutes south of Princeton. See the attached 2 page map attached. Page 1 shows the overall route from Princeton to High Point. Page 2 shows details near Oak Hollow and 2 alternate paths of entry. Path 1 (Yellow) winds through a neighborhood and the streets are a bit narrow. Path 2 (Blue) is a bit longer, but it is fairly direct and a bit easier to navigate. We depart on Sunday morning, October 29th.
- 3.) Day 1, Wednesday, October 26. We should arrive around 12:00 noon and set up camp. Lunch is on your own. We might consider going to the Liberty Brewery & Grill for dinner. Great Steaks & dinners, and it is a microbrew.
- 4.) Day 2, Thursday, October 27. We suggest a trip to the North Carolina Zoo, the largest zoo in the world. We suggest that we arrive at the zoo around 8:45 AM (15 minutes before they open). Hopefully, that will get us in line ahead of many others, and grant some of you who have trouble walking, a chance to rent a motorized wheelchair for the day. (They are limited in supply, they must be rented from inside the zoo, and there are no refunds for your admission if you decide not to stay.) They also have regular wheel chairs to rent. If you are walking the zoo, we suggest that you enter from either of 2 parking lots, take the tram to the "Junction Plaza" (mid station) and walk to the end where your car isn't parked. Then take the tram to the mid station, and walk to the end where your car is parked. It is down hill both ways from the mid station.
- 5.) Day 3, Friday, October 28. We suggest a visit to the North Carolina Transportation Museum. Here, you railroaders can have a chance to see a number of old locomotives (some steam) and even buy a 25 minute ride on an old train. There is a roundhouse that was used by N&W on site. There are also many old planes & Automobiles.
- 6.) Day 4, Saturday, October 29. We suggest a visit to the Richard Petty Museum. Race fans will have a good time here.
- 7.) Meanwhile, we will fit in a trip to the "Out-of-Doors Mart" which claims to be the longest running Airstream dealership in the world. They do sales and service. Bring a list of the parts that you need.

There are a number of other things that we can do if you choose, and some great shopping and restaurants. Come join us and RALLY!!! Rich & Sandy Work: Cell 304-922-2298: rwwork@citlink.net. More info after you get to the rally. Too much to mail.

Yellow directions and arrows are route choice #1 on the map.
Blue directions and arrows are an alternate choice #2 on the map.

Park Transportation

Africa Tram Road Under Construction

The Africa tram road between Junction Plaza and Akiba Market is under construction. While the construction is underway, the tram route between Junction Plaza and Akiba Market along with the Dino Bus may be closed. Africa animal habitats will be open and are best seen by walking. The North America tram route and the parking lot shuttles between Africa and North America will operate as normal. Please call ahead at 800.488.0444 to check on Africa tram route and Dino bus availability.

1. In-Park Tram and Bus Service

This service runs *inside* the Park. Please note that animals are not visible from the trams or buses. Visitors can ride on open-air trams or air-conditioned buses. The buses can be identified by their zebra stripes.

There are three tram stops inside the Park: North America, Africa Akiba Market and Junction Plaza. The Junction Plaza tram stops allow visitors to travel in either direction. See [Park Map](#).

The wait time for a tram or bus averages 30 minutes. During heavy visitation periods, the wait may be longer.

In-Park transportation service operates from 9 a.m. until 30 minutes after closing.

Trams and buses accommodate [strollers](#) that are empty and folded and [wheelchairs](#).

2. Parking lot shuttle service

This service runs *outside* the Park between the North America and Africa [parking](#) lots.

The shuttle stops are located a short distance outside the ticket booths at both the North America and Africa entrances. Use this service if you finish your visit at the opposite entrance from where you parked your car. It is faster to use the parking lot shuttle than the in-Park tram or bus.

Parking lot shuttle service operates from 11 a.m. until 30 minutes after closing.

Trams and buses accommodate [strollers](#) that are empty and folded and [wheelchairs](#).

Parking

Parking is free

When you arrive at the North Carolina Zoo, you will see that it has two regions, [North America](#) and [Africa](#). Each region has its own parking lots and ticket booths. After you park your vehicle, please take note of the parking lot number or letter for easy return at the end of your visit. [Shuttles](#) are available between parking lots. The road between the North America and Africa parking lots is about one mile. **You can visit the entire Park from either entrance using one ticket.** See [Park Map](#).

Both entrances are on a level walking surface and have accessible drop-off points for visitors who are mobility impaired. Accessible parking spaces are available with a valid license plate or hangtag. Rental [wheelchairs](#) and [strollers](#) are available at both Park entrances.

Stroller and Wheelchair Fees

Single [Stroller](#) Rental.....\$9 + tax
 Double [Stroller](#) Rental.....\$11 + tax
 Manual [Wheelchairs](#).....\$10 + tax
 Electric [Wheelchairs](#)\$28 + tax

Entry refunds are not provided if wheelchairs are not available for rent. **All rentals are on a first-come, first-served basis and cannot be reserved.**

Transporting Strollers and Wheelchairs

There are three tram stops in the Park, one at each entrance and one at the center at the Park at Junction Plaza. Trams and buses move guests to strategic locations in the Park, not to each habitat. Not all vehicles are accessible. A vehicle with a lift will be dispatched to the designated tram stop.

The N.C. Transportation Museum

The museum that moves you!

This family-friendly place is a 60 acre site filled with interesting exhibits and special events.

Four large exhibit buildings represent the remaining structures of the historic Spencer Shops, once Southern Railroad's largest steam locomotive repair facility on the east coast. Buildings include the Back Shop, the Master Mechanic's Office, the Flue Shop and the 37-stall Bob Julian Roundhouse. The museum is a source of education and fun for the young and old.

There's plenty to see and do. Take a [train ride](#)! Go on a scenic [excursion](#), participate in [Day Out With Thomas](#), or take [THE POLAR EXPRESS™ Train Ride](#). There's something for all to enjoy.

Want even more? Consider [volunteering](#) or become a [member](#) of the N.C. Transportation Museum!

Welcome to the *Petty Museum*

Welcome to the official site of The Petty Museum!

The Petty Museum, now located at 309 Branson Mill Rd., Randleman, NC 27317 (Level Cross) was established in 1988. The Petty Museum presents the unparalleled success story of one of the founding families of stock car racing, their drive for engineering excellence, and the technical inventiveness, innovation and ingenuity that made it all possible.

The Petty Museum preserves the heritage of Petty Engineering and Petty Enterprises, a family business having a fundamental formative influence on American motorsports and on automotive design, construction, and safety.

The Petty Family Legacy is Home, Sweet Home!

The Petty Museum hours of operation are Monday thru Saturday 9:00am - 5:00pm.

Admission to Petty Museum:

Adults: \$10.00

Seniors 60 & Up: \$8.00

Children 7-16: \$5.00

Military Discount w/ID: \$8.00

Children 6 and under are free.

All Admission subject to Tax.

Group rates available. Call 336-495-1143 for further info.

We are always adding new exhibits to the museum to ensure that your Petty Museum experience is rewarding for all ages! We have recently opened Phase 3 of the Petty Museum! Phase 3 is the Reaper Shed, where Lee Petty first began building race cars in 1949. Come see where racing and Petty Enterprises began! We look forward to your visit to the Petty Enterprise Historical Site at 309 Branson Mill Rd. Randleman, NC 27317 (Level Cross).
